Hello All,

My apologies for the late response, we conducted a joint outreach today at the Post Office and was able to pass along the clean-up information to individuals that were out at the Post Office. The majority of individuals had already vacate the area due to the unposted sanitation clean-up. We were also able to let the individuals know that there is a scheduled clean-up for tomorrow.

Best,

Hi Gaby,

Not a problem. My team will go outreach the location before Thursday and pass the information along.

Lyndi and Jazmin:

In the past, when attempting to complete the comprehensive clean-ups in the streets surrounding the post office, we found ourselves going in circles due to jurisdictional boundaries associated with the subject agencies. In an effort to streamline the process, the General Manager of Recreation & Parks has fully authorized LA Sanitation and LAPD to enter their parks in order to maintain clean, safe, and healthy spaces for our residents.

We're hoping that you and your teams can further communicate this to the unsheltered population. Waiting along the park area will no longer be an option. This are will also be enforceable. Thank you in advance, please let me know if you have any questions.

Best,

Gaby
